Quote: "Education is the most powerful weapon which you can use to change the world." – Nelson Mandela

Dear Families

We are nearly half way through the term and after a pretty mild start weather wise to the term, the hot weather has hit with a vengeance! Please make sure your children are bringing their **water bottles** to school. Some students are still forgetting, and while we give them a cup to fill up, nothing is better than have a large drink bottle readily accessible in the classroom.

Something Exciting....

As many of you know, we re-homed our turtles, Donatello and Leonardo, at the end of 2020 as they were getting too big for our tank. Well our tank has been made ready for some new arrivals – we will be getting our 2 new baby turtles on Monday!! I will be running a naming competition so put your thinking hats on!

QR Code and Signing In

You will have seen our QR code on the front gate, front office and on the JP classroom. When you come on site, please check-in using the code for contact tracing purposes. We also have a sign-in sheet in the front office should you not have a smart phone. The QR code is for contact tracing purposes only; all our usual signing in and out processes for visitors and students coming late or being picked up early still apply.

Barossa Scarcrow (Vintage Festival)

We are hoping to put together a Scarecrow display again for our school this year as part of the Scarecrow Trail and Vintage Festival. We are looking at creating our scarecrows out of recycled materials, so if you have any old plastic flower pots (all sizes, clean) and 2 litre milk bottles (clean), please bring them into school. We are creating a display around the theme "It's Cool to be Kind". Families are also able to enter, see the attached flyer ☺

Until next time,

Katherine ☺

Pastoral Care Support

Hi Everyone,

It's great to see that all of the children have settled into the new school year so smoothly.

I would like to say a big Hi to all the families I know in the school community and am looking forward to meeting the families I have not as yet met. My name is Debbie Stansborough and I am the Pastoral Care Worker for Light Pass Primary School.

I have worked as a Care worker for 13 years at the school, and my role is to support students, families and staff any way I can with well-being. This could be having a chat, or if needed connecting them to an outside organisation for extra support.

I run different activities with the children, which could be cooking, gardening, SRC, girls group, boys group to mention a few, and also work one on one with students when needed.

My hours working at the school are 10:00a.m.-3:30p.m. on Tuesday and Wednesday but are flexible.

Have a great weekend 😊

Debbie Stansborough

Pastoral Care Worker.
