## Primary Student Use of Mobile Phones and Personal Devices Policy

### Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

### Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

### Storage of personal devices

Before school at the beginning of the school day, students are to sign their mobile phones in at the front office, where they will be stored securely.

At the end of the day, after the final bell has rung, students are able to collect their phones from the front office and sign them out.

### If the student does not comply

Remind student of mobile phone procedure, and redirect them to the front office to sign in their mobile phone.

A mobile phone or other electronic device which is used in contravention of this policy will be confiscated and returned to the user at the end of the school day. The consequences of inappropriate use will be in accordance with the *Light Pass Primary School Behaviour Policy*. Parents will also be contacted.
