Term 3

Week 1

28<sup>th</sup> July 2023

*Quote: "Anyone who has never made a mistake has never tried anything new." – Albert Einstein*

Dear Families,

Welcome back! I hope you all managed to have a relaxing break and some quality time with family and friends after a busy term 2. It has been wonderful to hear some of the things the children did during this break. Term 3 will be busy again with some special events along the way including excursions to see author, RA Spratt, visits from Life Ed and Bus Safe, celebrations at Barossa Bowland, Book Week and Father's Day Stall.

We have enjoyed having Ruth back in her classroom – it was lovely to see how excited the children and their families were! Ruth has a lot of stories to share and she is settling back into the working life with ease.

We had a very positive start to term when we held a special assembly to acknowledge the kind contributions of our community in the donation of a sound system and its installation. Ashton Hurn, Member for Schubert and Shadow Minister for Health, came to help officiate this event. We are so lucky to have the community we have here at Light Pass. The children were amazing and should be incredibly proud of themselves – we had so many different adults here and they commented on how beautiful they all are. Keep an eye on the Leader as there will be some information and photos about the day. Ashton Hurn has also put a post on her Facebook page.

PAT-M and PAT-R testing will be held sometime in weeks 7 through 10. Further information will be coming out soon.

Kind regards,  
Mel

# Awards

This term we will focus on our school value of Success.

The staff at Light Pass PS will be on the lookout for students who: create a safe learning environment for everyone; actively participate in class; do the right thing even when no one is watching; embrace their unique gifts while encouraging others to do the same, focus on achieving goals; and keep a positive mindset.

We will continue to focus on Random Acts of Kindness and caring as well as outstanding work.

## Kiwanis Terrific Kids Awards

At our final assembly of term 2, we had Rory Ellendon from Kiwanis Barossa come to present the Terrific Kids Awards. The Terrific Kids award program is designed to acknowledge individual students who display particular personal qualities:

T...thoughtful	be understanding
E...enthusiastic	eager to help and do your best
R...respectful	be polite and well mannered
R...responsible	be honest and responsible
I...influential	play fair and set a good example
F...friendly	be welcoming and supportive of others
I...inquisitive	ask questions and desire to learn
C...caring	show others your concern for their wellbeing.

We have so many 'kids' at Light Pass PS who show these qualities and so it was a very difficult decision but we would like to congratulate Adele, Evanna and Poppy for being recognised as Terrific Kids.

# SOUND SYSTEM

A big thank you to Ian Plush of Plush Audio and Electrical for the donation of a Sound System for our outdoor space. We are so very lucky to be able to have this kind of facility – especially for our assemblies.

Thank you to Megan Nitschke for all the work she did to make this happen – it was a big task!

Thank you to the very kind donations from the community to assist in the installation – Barossa Valley Hire, Juncken Builders and Joinery and Shane Stewart for transporting the protective sheets.

### Just a message in regards to school photos:

Thank you all for being patient and understanding while you wait to receive them. MSP have recently taken on new owners and they are navigating the new role as best as they can. We have received the proofs and there has been some errors, so we have sent them back for these to be changed. We are hoping you will receive your photos early in term 3.

# Life Ed is coming!

Dear Parents/Caregivers,

Your school has chosen Life Ed to support the school's health and drug education. Life Ed SA will be visiting your school on Wednesday 2<sup>nd</sup> of August – Term 3, Week 2.

Life Ed is Australia's largest preventive health organisation empowering children to make safer and healthier choices so they can live happier lives. Life Ed provides a unique learning experience for children, giving them the skills needed to make informed decisions about their health and wellbeing. We cover topics such as:

### Pre School

Body knowledge  
Personal safety  
Healthy lifestyle  
Social skills

### Primary

Body knowledge  
Safety  
Nutrition  
Physical Activity  
Relationships  
Medicines  
Cyber safety  
Decision making  
Alcohol  
Tobacco/Vaping

### Secondary

Peer pressure  
Decision making  
Tobacco / Vaping  
Alcohol  
Cannabis  
Other Drugs

Each class will have the opportunity to experience Life Ed's unique, fun and exciting sessions, in their classroom. We will provide your school with a comprehensive set of resources to continue delivering positive health messages throughout the year.

Healthy Harold, the much loved Life Ed giraffe mascot, is always a highlight. The sessions are entertaining, interactive and will extend the children's understanding of the topics covered. Life Ed's programs are designed to grow, develop and change with the children as they navigate their own life journey.

Class teachers will be able to give you information about which module your child/children will be participating in. You can also access Life Ed's extensive range of parent information from their website at [www.lifeed.org.au/families/resources-for-parents-carers/](http://www.lifeed.org.au/families/resources-for-parents-carers/)
