Week 3
2nd November
2023

Quote: "All our dreams come true, if we have the courage to pursue them." – Walt Disney

Dear Families,

What a wonderful week we had going to Glenhaven at Stockport. The children showed some amazing resilience and a willingness to have a go at new activities. They made everyone at Light Pass PS very proud.

At the end of last week, we celebrated World Teachers' Day with a special morning tea. The theme was "Hats off to teachers" and Becky and the SSO team made this a lot of fun by putting funny hats on photos of all the teachers.

If you've popped into the front office in the last couple of days you will see that Kim has done an amazing job in giving it a fresh coat of paint. Becky was also involved in that as well as working with Jenny and Sandi to reorganise the LAIR. Such appreciated work by them all while we were away on camp. A huge thank you to them all.

Next weekend is the Trivia Night and we are super excited. Remember to let Kelli know if you would like to book a table. This is a major fundraiser for our school and should be loads of fun.

I would like to take this opportunity to welcome Paul Schultz to our school. Paul has taken up the position of Grounds person. A massive shout out to our amazing community who helped with mowing and general tidy up during the last term. I can't express how truly grateful we are for such a generous and kind group of parents and staff. Thank you.

Kind regards,
Mel

BYO FOOD & DRINK FOR YOUR TABLE

University of
South Australia

G'day!

My name is Chloe Kerber, I am a student with the University of South Australia, studying a Bachelor of Primary Teaching and am so excited to be completing my second-year placement with Light Pass Primary School.

I grew up on a farm in Mintaro, Clare Valley, so I'm no foreigner to rural communities. My husband and I have moved to Tanunda after a stint in Darwin, playing cricket and growing our business - we are settling in wonderfully.

I am passionate about History, Sport and English - and am looking forward to building on the fun and supportive environment the children are growing in. I also have a passion for learning about the history, culture and environment of Australia, and loving the country we live in, I am excited to share that with the children.

I am looking forward to getting to know the wonderful students and building relationships with the staff. I am also looking forward to seeing what the students can teach me and delve deeper into what it means to be a teacher.

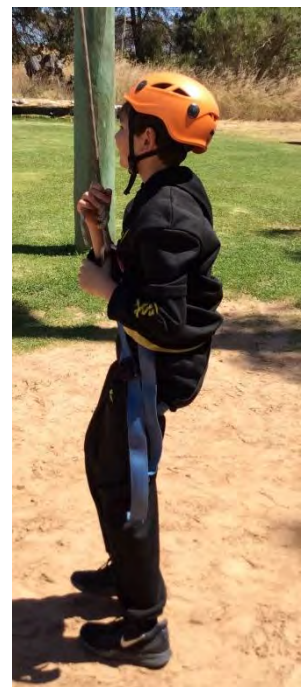

STOCKPORT GLENHAVEN CAMP - 2023

We are so proud of each and every one of our students who came on camp and tried new things. The determination and resilience they all showed was amazing. From high ropes to giant swing, hikes and so much more, the students and adults had such a great time. I'm sure everyone slept well in their own beds!

A word from Mrs Gogoll - Autism Inclusion Teacher

Anxiety

During term 4 Newsletters I will share strategies we are putting in place at school to support students with anxiety.

Some of these may help you to put things in place to support a child with anxiety at home.

1. Remain Calm and Predictable

At school we create a calm environment - feeling calm is contagious.

Students participate in Interoception and mindfulness activities – after play times and during lessons.

2. Be Predictable:

We display visual daily timetables in our classrooms to show students what is happening during the day and if any changes.

Routines are visually displayed and are consistent.

3. Validate and co-regulate anxious feelings

Acknowledge and validate anxiety:

Breaks - Students have a safe place in the school they can go for a break to co-regulate or self-regulate their emotions and share how they are feeling.

If you any questions please come and see me.

Bec Gogoll

COMMUNITY & SPORTING NEWS

Strengthen skills.
Build savings.
Take control.

Save \$500 and ANZ will top up your bank account with another \$500.

Income, eligibility and participation criteria apply, go to saverplus.org.au for more information.

1300 610 355 saverplus.org.au

Saver Plus supports people to develop life-long savings habits. It's delivered by Brotherhood of St. Laurence, The Smith Family and Berry Street. It's funded by ANZ and Department of Social Services, learn more saverplus.org.au
