

LIGHT PASS PRIMARY NEWSLETTER

A MESSAGE FROM EMMA

Hello families, it has been a busy couple of weeks since our last newsletter. I continue to see everyone living into the school values, always so much learning, positivity, perseverance and safety happening! I have been able to get into classrooms and do some teaching, be involved in Staff, Governing Council and SRC meetings, and give out awards at assembly, allowing me to build more positive relationships with staff, students and families.

Our First Responders Day was a huge success last Wednesday 11th June. We thank Ashton Hurn MP, Senior Constable Randall Murch and members of the Angaston CFS for visiting and bringing their vehicles along for the students to look at and sit in and for giving their time to speak to the students. There are some wonderful photos in the Leader (thanks to Clem Stanley) and shared on Class Dojo showcasing how much we all enjoyed the day. Thank you to everyone involved in the organisation and running of this event.

We have had two students from Nuriootpa High School on work experience this week, working in the classes and being supported by the teachers to learn more about the education profession. We thank Lilli and Sophie for joining us at Light Pass Primary School and hope they enjoyed their time with us.

Coming up next week, we have another special lunch on Monday (23/6), Terrific Kids assembly on Friday (27/6) at 9am and then a PJ and movie day organised by the SRC on the last day of school (Friday 4/7) to look forward to.

I will be continuing in the acting role until the end of the term while Mel is still on leave. I am looking forward to continuing the learning journey. Please come and talk to me or contact me via phone, or email if you have any questions or concerns. My door is always open 😊

Kind regards
Emma

REMINDERS

- A reminder of the Right Bite Traffic Light System for South Australian Schools is on the next page. Please have a look.
- We kindly get frozen meals donated from Kiwanis - as the school holidays are fast approaching if you'd like some meals, please let us know.
- New laws have come out since the 1st March 2024. Smoking and vaping are banned at this site including within 10m of the boundary. Please see the SA Health website for further information.
- Safety reminder for school pick up and drop off times: Please remember that we get busy at pick up and drop off times here at Light Pass PS. When children are present, it is a 25 zone. Please be sure to park away from the ramp/walkway when dropping and picking your child/ren up. Do not stop at the walkway/ramp and let child/ren in and out as this adds to the congestion and makes it more difficult to ensure everyone's safety. Please do not do U turns in front of the school - use the turn out areas at the edge of the 25 zone. Once you have collected your child/ren they are no longer in our care and we ask that you exit promptly and safely to avoid congestion. Thank you.
