MARCH NEWS

A message from Mel

Hello Light Pass Primary School community,

Week 9 already! Where has this term gone?

Thank you so much to our staff, students and families for another successful Small School Sports Day. It is such a big fundraiser for our little school and we honestly couldn't do it without your support.

Swimming week is over for another year. Our staff and families have all noticed and commented on the opportunities this week presents for our students to connect with each other outside of the classroom. We are so grateful to provide these experiences for our students and to share their excitement, curiosity and wonder.

As this term comes to a close, I want to say a huge thank you to our amazing staff who have worked tirelessly this term to provide a safe and inclusive environment for our students. I really couldn't ask for a better group of people to be working with.

A warm welcome to Araballa Alsop and Imara Hoskin who joined our team - we hope you get as much joy from our school community as we do.

Kind regards,
Mel
