A message from Mel

Hello to all!

Welcome back to Term 3!

This week marked a significant milestone at Light Pass Primary School as our students reached 100 days of learning for 2026! We celebrated in style to recognise the effort, growth and achievement of all students (and staff!) It was a fun day of dressing up, and I've been told that some stayed in their "old" character all day!

We also welcomed Amy who hosted Dolly's Dream Workshops as part of our ongoing commitment to student wellbeing and creating a supportive school environment. Dolly's Dream is dedicated to preventing bullying and fostering kindness, courage and resilience within Australian schools.

The workshops provided students with a safe space to learn about the importance of respectful relationships, personal safety, and strategies to deal with bullying. There was also a Parent workshop available which was well received by our families.

There is still so much to come this term and we look forward to making it an enjoyable and rewarding time for all.

Kind regards,
Mel

Dolly's Dream - Cyberbullying

Online Safety Zone

Being online can be great, you can play games, talk to friends and explore new things! But sometimes things online can feel confusing or unkind.

Here you'll find tips to help you stay safe and know what to do if something doesn't feel right.

What is cyberbullying?

Cyberbullying is when someone uses the internet to be mean to you so you feel bad or upset.

It can happen on:

- social media
- online games
- apps
- or any other online or electronic service or platform.

It can include:

- posts
- comments
- texts, emails or chats
- livestreams
- memes
- images
- video

Here's some examples of the ways the internet can be used to make someone feel bad or upset:

- Sending hurtful messages about them.
- Sharing embarrassing photos or videos of them.
- Spreading nasty online gossip about them.
- Leaving them out online.

How to feel better

It's okay to feel upset. Here are some things that might help:

Our top tips:

- Talk to someone you trust
- Do something you love (draw, play, read)
- Spend time with kind friends or family.

Remember: You are important, and you deserve to feel safe. You're part of a big team of kids and families who believe in kindness.
